

Coach Better. Coach Smarter. Have More Fun.

US Lacrosse Coaching Education Program Level 1 Instructional Clinics

Coaching Education Program Level 1 Clinic:

Come be part of a ground-breaking coaches' training program offered only by US Lacrosse. Learn the art of effective lacrosse coaching with this nationally recognized program designed by experts in the lacrosse coaching field. This program brings the material in the Level 1 Online Course to life through hands-on experiences facilitated by outstanding US Lacrosse certified trainers and is targeted at coaches of beginning players of any age.

Cost:

Clinic registration is \$_____.

To benefit from the full Level 1 experience, US Lacrosse strongly recommends advance completion of the Level 1 Online Course for all clinic participants.

By Attending a Level 1 Clinic You Receive:

- The Level 1 Workbook, available ONLY at US Lacrosse CEP Level 1 Clinics; includes skill breakdown, error detection and correction, drills and activities
- US Lacrosse goodie bag
- US Lacrosse issued Certificate of Attendance
- Personalized, practical instruction from a certified US Lacrosse trainer
- Tips, tricks, and ideas to enhance your coaching now and for years to come
- Completion of the Level 1 Clinic applies toward Level 1 certification.
- Registration for clinics is exclusively online at <http://www.uslacrosse.org/cep/instructional.phtml>. Clinics sell out, please register early.

"I would not be comfortable coaching without this clinic"
